

Compaq 615 Notebook PC

Affordable Mobility

Compaq recommends Windows Vista® Business.

Compaq 615 Notebook PC

A comfortable fit for any budget

More than you bargained for

A comfortable fit for any budget, the Compaq 615 Notebook PC helps keep you connected and productive so your office goes with you.

Highly portable design

With its attractive design and a starting weight of only 5.5 lb /2.49 kg, the Compaq 615 is the perfect business partner. The 16:9 ratio, 15.6-inch diagonal LED-backlit high-definition ¹ widescreen display produces brighter images similar to HDTV and is more power efficient than regular LCD screens.

Productivity on the move

Get ahead by choosing the latest AMD Business Class Solutions that is right for you. The AMD Turion™ X2 Dual-Core ² Mobile Processor or Athlon™ X2 Dual-Core ² Processor can be combined with a high-performance integrated ATI Radeon™ HD 3200 graphics solution. The optional DVD+/-RW SuperMulti DL LightScribe Drive ³ makes your storage media stand out with custom labels that you can burn directly to your disc, and the integrated SD Card reader helps you easily share files from smartphones, cameras or other devices.

Stay connected

The Compaq 615 helps you stay connected at hotspot locations by offering Wi-Fi Certified WLAN ⁴ and integrated Bluetooth® wireless technologies. With Wi-Fi Certified WLAN, integrated microphone and integrated 2 MP Webcam ⁵ you can experience web conferencing and other multi-media content with no additional hardware to buy or carry, while Bluetooth® technology provides wireless short-range connectivity between other Bluetooth devices such as printers, mice and headsets.

Business-focused

To help protect your data by reducing physical shocks to your hard drive, the Compaq 615 features DriveGuard. In addition, DriveLock helps protect data on your hard drive from unauthorized access in the event your notebook is lost or stolen. Plus, Fast Charge ⁶ technology recharges your notebook battery to 90% within 90 minutes to get you back to business faster.

Compaq 615 Notebook PC

Compaq recommends Windows Vista® Business.

¹ HD content required to view HD images

² This system requires a separately purchased 64-bit operating system and 64-bit software products to take advantage of the 64-bit processing capabilities of AMD technology. Dual-core processing available with AMD technology is designed to improve performance of this system. Given the wide range of software applications available, performance of a system including a 64-bit operating system and a dual-core processor will vary

³ Do not copy copy-right protected materials. Intended for creation and storage of your original material and other lawful uses. Double Layer discs can store more data than single layer discs. Double-layer discs burned with this drive may not be compatible with many existing single-layer DVD drives and players. LightScribe creates a monochrome image. LightScribe media required and sold separately. Note that DVD-RAM cannot read or write to 2.6 GB Single Sided/5.2 GB Double Sided – Version 1.0 media

⁴ WiFi access point and Internet service required and not included. Availability of public wireless access points limited. VoIP requires a separately purchased service contract

⁵ Sold separately or purchased as an optional feature

⁶ HP Fast Charge recharges your primary battery up to 90% within 90 minutes when the system is off.
