

HP ProBook 4330s Notebook PC

Business Partner

Work, meet, play. Create, stream, watch, listen and do more. This versatile, secure and stylish HP ProBook with a 33,8 cm (13.3") diagonal HD¹ display makes an impression in and out of the office.

HP recommends Windows® 7.

Equipped to get the job done

Gain strong processor capabilities, wireless functionality and a 33,8 cm (13.3") diagonal HD display.

Stylish design

The metallic gray color complements the vertically brushed aluminum finish. Your PC's good looks stand up to the commute between home and work with added aluminum casing.

Security beyond passwords

Secure access to your information, using HP Face Recognition or fingerprint-reading technology, and protect your notebook and the sensitive data it holds with HP ProtectTools².

Easily stay productive

Use HP QuickWeb³ to access the internet, email, contacts and calendar fast at the touch of a button without long boot-up times.

Stretch battery life when you need it and get great graphics performance when you want it with AMD Dynamic Switchable Graphics technology that adapts to your needs –seamlessly⁴.

Share and transfer files fast with USB 3.0

Crystal clear collaboration

Reduce your communication costs and improve your productivity with HD webcam^{5,6} for video conferencing, dual array microphones and SRS Premium Sound for better sound quality.

Always on, always available

Stay connected in more places with WLAN⁷ or optional WWAN⁸. With a choice of a 6-cell battery for lighter weight⁹ or a 9-cell for longer battery life⁹, the new HP ProBook meets the needs of mobile professionals.

¹ HD content required to view HD images.

² Microsoft Windows required.

³ HP QuickWeb is accessible when the notebook is off in Windows Vista or Windows 7-based systems. Internet access is required. Timing may vary depending on the system configuration. To enable the feature following the removal of the battery, reboot the notebook prior to subsequent use. Not available on most HP Minis.

⁴ AMD Dynamic Switchable Graphics technology requires either an AMD "A" series APU or an Intel processor, plus an AMD Radeon™ discrete graphics configuration and is available on Windows® 7 Professional, Home Premium, and/or Home Basic OS. With AMD Dynamic Switchable Graphics technology, full enablement of all discrete graphics video and display features may not be supported on all systems (e.g. OpenGL applications will run on the integrated GPU or the APU as the case may be).

⁵ Sold separately or as an optional feature.

⁶ Internet service required.

⁷ Wireless access point and Internet service required. Availability of public wireless access points limited.

⁸ Wireless use requires separately purchased service contract. Check with your local vendor for coverage area and availability in your area. Connection and speeds will vary due to location, environment, network conditions, and other factors.

⁹ Battery life will vary depending on the product model, configuration, loaded applications, features, use, wireless functionality and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See MobileMark07 battery benchmark www.bapco.com/products/mobilemark2007 for additional details.

Accessories and Services

HP Basic Backpack

The HP Basic Backpack is great for both students and business professionals. It offers practical features including padded shoulder straps for maximum carrying comfort, a cell phone pocket and an MP3 pocket with a pass-through for headphones as well as a padded protective area to help protect your notebook. The HP Basic Backpack can accommodate notebooks with screens up to 15.4 inches (39.12 cm).

Product number: AM863AA

HP 2.0 USB Docking Station

Skip the hassle of plugging and unplugging your monitor and peripherals every time you take your HP notebook PC with you.

Product number: AY052AA

HP USB Optical Travel Mouse

HP Input/Output devices provide additional desktop functionality for HP Business Notebooks. The HP Optical USB Travel mouse delivers the convenience, comfort, and elegance of optical mouse operation in a miniature size - an ideal solution while on the road.

Product number: RH304AA

HP Keyed Cable Lock

The HP Keyed Cable Lock is designed to be used with industry standard lock slots like the type found on a laptop, docking station, desktop PC, flat panel display, printer or projector. Secure your valuable IT hardware with this lock that consists of a 6.00' (1.83 m) vinyl-coated, galvanized aircraft-grade steel cable that loops around any secure object and then attaches to the computer or device you want to lock. The lock features a push-button locking mechanism and a unique key (including a spare key) to unlock the cable. A small Velcro strap is also included to help manage or adjust the length of the cable as you place and use it.

Product number: BV411AA

3-year Next Business Day Onsite

Receive 3 years of next business day onsite repair from an HP-qualified technician for your computing device, if the issue cannot be solved remotely
